Profile

Completed Diploma in Computer Engineering skilled in C, Python, and web development fundamentals with practical experience in Flutter, Supabase, and REST API integration. Built projects involving responsive UI, authentication, and backend-connected applications. Strong in problem-solving and interested in software development and emerging technologies.

Education

Government Polytechnic College, Muttom Diploma in Computer Engineering	2024 – 2026 CGPA: 7.9/10
S.T George Higher Secondary School, Vazhathope Plus Two	2022 – 2024 80%
S.T Thomas High School, Punnyar SSLC	2022 95%

Technical Skills

Languages	C, Python, Java, Dart
Frontend	HTML, CSS, JavaScript
App Development	Flutter, Supabase
Databases	MySQL, PostgreSQL
Tools	Git, GitHub, VS Code

Projects

Care Connect	Flutter, Supabase
- Developed a cross-platform healthcare application using Flutter and Supabase. - Implemented secure authentication, role-based dashboards, and barcode medicine lookup. - Integrated location-based hospital/pharmacy discovery and pharmacy ordering features.	
Unreal Kerala	HTML, CSS, JavaScript
- Developed a tourism website using HTML, CSS, and JavaScript. - Implemented district-wise navigation with destination information, images, and videos. - Designed a responsive and user-friendly interface.	

Internship

Flutter Development Intern – Genzee Technologies	2024
- Assisted in Flutter application development and UI implementation. - Worked with Dart, state management concepts, and backend connectivity. - Participated in debugging, testing, and feature enhancement activities. - Used Git-based workflows for version control and collaborative development.
